When I prepared the original April 15 Quarterly Report (03/25/04-03/31/04)  
I included the contribution from Jay Trautmann in the amount of \$2000.00  
which was received on March 25, 2004. I erroneously misread the report  
instructions to the 48 Hour Notice and miscalculated that the date for such  
reports began March 25, 2004. I had figured that the 48 Hour reports were  
for contributions received from March 26, 2004. It is, and always has been  
my intent, and the intent of the committee to file correct and accurate reports.
